## Notes:

Debt payments payable to Municipal Finance Authority (MFA) are paid to an intermediary, Regional District of Central Okanagan (RDCO), who in turn make payments to MFA on behalf of the City of West Kelowna. For purposes of the schedule above, these payments are excluded from RDCO payments and are included in MFA payments.

The total payments made to suppliers differs from the City of West Kelowna consolidated operations statement due to several factors including accrual basis of accounting, amortization and payments made to other agencies for amounts collected on their behalf.
