## Highlights of the Regional Board Meeting – October 28, 2019

---

### Regional Housing Needs Assessment

The Regional Board has endorsed the Regional Housing Needs Assessment. It's a recent requirement of the *Local Government Act* and was identified as a key initiative in the five-year Regional Growth Strategy Priority Projects Plan. The Assessment was developed over the past 11 months through collaboration with local government partners, the public and other stakeholders as a descriptive analysis of the current housing needs and issues across the region. The Regional Housing Needs Assessment may be used as a planning tool and resource.

---

### FrontCounter BC Application

The Regional Board does not support an application made to FrontCounter BC for a License of Occupation to permit an existing concrete apron along the Okanagan Lake foreshore on a property in the 1800 block, Banff Road. The applicant has proposed removing a concrete boat launch, leaving a small apron in front of a two-storey boathouse to protect the building foundation. The boathouse location doesn't comply with an existing Development Permit or Provincial approval issued in 1988.

---

### 2020 - 2024 Budget Timeline

The Regional Board has received information on the meetings and process for approval of the 2020 – 2024 Budget. This includes two opportunities for in-person public comment and input on the mornings of February 20<sup>th</sup> and March 12<sup>th</sup>. As well, opportunities for feedback will be available online and through direct contact with Financial Services staff. Final consideration and adoption is scheduled for the evening Regional Board meeting on Monday, March 23<sup>rd</sup>.

### Westbank First Nation Appointments

The Regional Board has welcomed a new representative from Westbank First Nation (WFN). Recently elected Councillor Jordan Coble has been appointed to represent WFN Chief and Council as a non-voting member of the Regional Board. In addition, WFN Councillor Andrea Alexander has been appointed as its alternate representative to the Regional Board.

- Station 51 (11481 Highway 33 East) or
- Station 52 (6550 Goudie Road)

Both facilities will be open to accept donations during the community food drive.

### Be Part of the Solution!

Everyday false alarms in Central Okanagan homes and businesses waste valuable police resources.

All alarm systems must be registered for a nominal fee with the Regional District of Central Okanagan False Alarm Reduction Program.

If you have an alarm and are not registered, police may not attend. If they do and the alarm was false, you will receive a penalty in addition to system registration fees.

For registration forms and more information visit the False Alarm Reduction Program page at [rdco.com/alarms](http://rdco.com/alarms) or call the Alarm Coordinator at 250-469-6123.

The Board Report is published monthly after each regular meeting of the Board of the Regional District of Central Okanagan. The Regional Board meets twice a month in regular session in the Woodhaven Boardroom at the Regional District office, 1450 KLO Road. The public is welcome to attend.
