

Highlights of the Regional Board meeting – November 24, 2022

2023 Regional Board - Committee meetings

The Regional Board has approved a new schedule of [meeting dates for 2023](#), including new committee meetings. Starting in January, the Board will meet each month on the first Thursday at 8:30 a.m. and the third Thursday at 6 p.m. The changes will be reflected in an update to the Board Procedures Bylaw.

In addition, the Board Chair announced the [committees of the Board for the new term](#), including a Committee of the Whole, Electoral Area Services Committee, Electoral Area Planning Committee, Agricultural Advisory Committee, Central Okanagan Economic Development Advisory Committee, Westside Wastewater Service Committee and an Environment and Climate Advisory Committee. Terms of Reference for each committee will be presented for Board consideration before the end of January 2023.

Ellison Heritage Community Centre fees

The Regional Board has adopted the fees and charges bylaw for rentals of the Ellison Heritage Community Centre. RDCO Parks Services has been operating the facility along Old Vernon Road since mid-2022, following the dissolution of the Ellison Parks and Recreation Society which previously operated the facility through an agreement with the regional district. Rental fees will be used to offset the annual local tax requisition for the community centre.

Falcon Ridge bulk water agreement

The Regional Board has approved a five-year agreement between the RDCO and Black Mountain Irrigation District. The new agreement ensures continued water releases into Mission Creek by the irrigation district in order to supply the needs of properties serviced by the RDCO water system.
