

Legal Services Q1 - 2022

Bylaw Services

Bylaw Activities

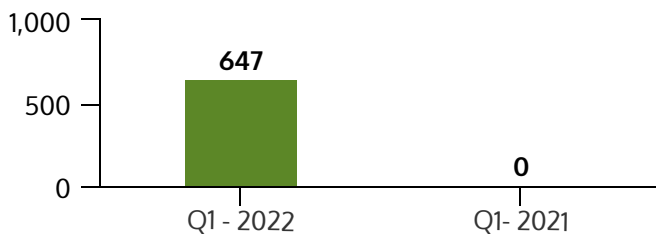

- The significant increase in the total files in this quarter compared to 2021 1st quarter is the result of a concerted effort by our officers increased number of pro-active inspections of our parks, beaches, trails, as well as known problematic locations.
- Maintaining a highly visible presence in the community is not only a deterrent to the undesirable activity, but adds to the overall feeling of safety by the public.
