Proposal Type: Subdivision

Proposal: Applying for a lot line adjustment. Note that the property has two district lot numbers 5060 and 5069 as well as two PID numbers 011-812-311 and 011-812-320. It is 25 acres in size. We are requesting to move of the boundary line of the 5069 lot to the eastern edge of the deer fenced winery/vineyard area to reconfigure the two already existing district lots, one which would be the winery area as outlined on the map and the other being what remains. The goal would be to have the established winery with vineyard then on its own separate district lot of a 4.04 hectare (10 acre) parcel.

Proposal

1. Enter the total number of lots proposed for your property.

6 ha

4 ha

2. What is the purpose of the proposal?

Applying for a lot line adjustment. Note that the property has two district lot numbers 5060 and 5069 as well as two PID numbers 011-812-311 and 011-812-320. It is 25 acres in size. We are requesting to move of the boundary line of the 5069 lot to the eastern edge of the deer fenced winery/vineyard area to reconfigure the two already existing district lots, one which would be the winery area as outlined on the map and the other being what remains. The goal would be to have the established winery with vineyard then on its own separate district lot of a 4.04 hectare (10 acre) parcel.

3. Why do you believe this parcel is suitable for subdivision?

There are two lots already existing and after a pre-application meeting with the city planners, we discussed the possibility of a lot line adjustment to create a separate parcel for the winery/vineyard. Since Rem DL 5060 is definitely less than the required 1.0 ha in area, we are now looking at a subdivision application to the ALC and West Kelowna.

4. Does the proposal support agriculture in the short or long term? Please explain.

The proposal supports agriculture as we are not asking for removal from the ALR but instead a configuration of the farming parcels that are currently happening (winery and vineyard on its own parcel).

5. Are you applying for subdivision pursuant to the ALC Homesite Severance Policy? If yes, please submit proof of property ownership prior to December 21, 1972 and proof of continued occupancy in the "Upload Attachments" section.
