Safety:

The 2023 City of West Kelowna Corporate Safety Goals were established: Foster a workplace for all employees that promotes psychological health, safety, and well-being as the number one priority. The City will commit to:

- A more positive safety culture, resulting in proactive safety initiatives and programs by:
 - Committing to share and educate safety information to teams at minimum quarterly (for low-risk departments) and monthly (for high-risk departments)
 - Involve all key stakeholders to improve our COR Audit score by 10% (this will bring us up to 96%)
