Safety Awards - Congratulations to everyone

The City of West Kelowna and employees have been recognized by BCMSA the following two impressive awards:

- 2023 Organizational Safety Excellence Award awarded to cities for activities (Stay at Work/Return to Work Program) that improve their experience rating (WorkSafeBC insurance claims). The City of West Kelowna has demonstrated a notable example of leadership, dedication, and hard work in reducing the costs of claims by creating a safer and healthier workplace and helping injured workers recover and return to work.
- 2023 Health and Safety Stewardship Award awarded to Lisa Hout, Health, Safety and Wellness Manager. Lisa demonstrates extraordinary leadership in developing policy, procedures, tools and communications for protecting and supporting the health and safety of all our employees.
- These awards are for everyone to celebrate with a special mention to the commitment of our Joint Health and Safety Committee's, and First Aid Attendants. Thank you to everyone who contributes towards improving and keeping our workplace safe and healthy.
