

Mayor's Report – Mayor Gord Milsom

Multi Sport Dome Grand Opening

I am extremely pleased to announce that we will be holding our Grand Opening Celebration for the City of West Kelowna's new Multi Sport Dome on Saturday, November 16.

The public is invited to join myself and West Kelowna Council, as well as our special invited guests, at the dome location at 2139 McDougall Road – we will open the doors at 10 a.m.

We will show you what makes West Kelowna's sports dome so special. The dome is a spectacular facility that will wow you when you enter – I know because Council had a sneak peek a few weeks ago and we were all amazed at the facility.

We will have giveaways and prize draws and we will even be taken through a few fun drills with our friends from the soccer, baseball and football associations.

Please join us to officially cut the ribbon at this fantastic facility.
