**SHANNON LAKE**  
NEIGHBOURHOOD ASSOCIATION

*How To Become a SLNA Member*

Purchasing a \$10 SLNA membership is a great way to get involved and show your support. It pays for basic costs such as our registration as a society and small administrative costs such as printing and office supplies. As our association grows, we hope to be able to fund more neighbourhood events and projects. It helps to ensure that when neighbourhood issues arise, the funds to act and be heard are available.

Become a member by filling out and submitting the Join Us form below.

Pay your \$10 membership fee by e-transfer to [slna.org @ outlook.com](mailto:slna.org@outlook.com)  
(A security question is not required)

*Volunteer Today*

We are always looking for community support to help improve our neighbourhood. Does that sound like you? Volunteer today and be a part of change. If you are interested in volunteering email [slna.org @ outlook.com](mailto:slna.org@outlook.com).

## OCP Public Hearing

July 20th

- Concerns with the Province of B.C.'s Bill 26 – approval of development applications without a public hearing.
- Support of section 2.2, the Land Use Designations Summary, detailing the maximum building heights of 4-stories for low-rise developments and 6-storeys for mid-rise developments but do not support the maximum of 19 stories for high-rise developments.
- Concern the OCP has been negatively influenced by the Urban Development Institute; self-proclaimed the voice of Okanagan development.
