^{*}Prepared under the Financial Information Regulation, Schedule 1, Subsection 6 and the Financial Information Act, Section 2.

Notes:

Remuneration includes any form of salary, wages, bonuses, gratuities, and taxable benefits.

Expenses includes travel expenses, memberships, tuition, relocation, vehicle leases, extraordinary hiring expenses, registration fees and similar amounts paid directly to an employee, or to a third party on behalf of the employee, and which has not been included in "remuneration". Expenses are not limited to charges that are generally perceived as perquisites or bestowing personal benefit and may include expenditures required for employees to perform their job functions.

Reconciliation per Section 6 (2) (d)

Total Employees (including council)	\$ 25,431,453
Total per Financial Statements Schedule 3 - Schedule of segment disclosure	\$ 30,667,634
Variance *	\$ 5,236,181

^{*} The variance between the Schedule of Remuneration and Expenses and the Wages, benefits & professional development reported on the consolidated financial statements of the City are due to several factors including:

- Wages, benefits and professional development include benefits that are recorded at full cost on the consolidated financial statements and include the employer portion of federal deductions, retirement benefits and medical benefits.
- Wages, benefits and professional development include professional development payments made on behalf of employees, whereas the schedule of remuneration includes these payments in the expenses.
- The schedule of remuneration and expense schedule is based on cash payments during the fiscal year, whereas the consolidated financial statements is determined on accrual basis.

^{*} Remuneration recovered from the Provincial Government under Emergency Management BC guidelines.

Notes:

Debt payments payable to Municipal Finance Authority (MFA) are paid to an intermediary, Regional District of Central Okanagan (RDCO), who in turn make payments to MFA on behalf of the City of West Kelowna. For purposes of the schedule above, these payments are excluded from RDCO payments and are included in MFA payments.

The total payments made to suppliers differs from the City of West Kelowna consolidated operations statement due to several factors including accrual basis of accounting, amortization and payments made to other agencies for amounts collected on their behalf.
