### BACKGROUND

In follow up to the June 11, 2024 Council meeting, the proposed Westside Resource Hygiene Centre (2545 Churchill Rd) was postponed by Council noting concerns with the proposed location and requested that staff prepare a report outlining how the City and partnering agencies will mitigate any negative impacts on adjacent neighbours and the surrounding neighbourhood.

Upon further consideration, key partnering organizations have indicated they are no longer interested in pursuing the proposed hygiene center in the proposed location. As a result, the proposal will not be proceeding as outlined and no additional reporting is anticipated on this proposal at this time.
