

Community Wildfire Resiliency Plan Consultation

Share your thoughts with us!

A Community Wildfire Resiliency Plan (CWRP) enhances our community's awareness of wildfire risks, details our current mitigation efforts, and suggests further actions and resources needed to prevent future incidents. We want your input as we work to update the plan.

Share your feedback from **Oct. 23 – Nov. 4, 2024**, to help shape our CWRP as your input is essential for creating a safer community.

COMMUNITY WILDFIRE RESILIENCY PLAN CONSULTATION

OCT. 23 - NOV. 4, 2024

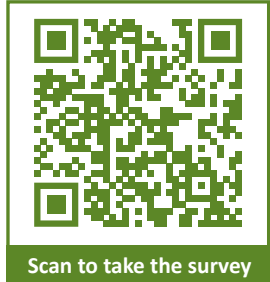

Share your thoughts with us!

By actively engaging in wildfire fuel mitigation efforts and adopting FireSmart practices, we can enhance our community's resilience against wildfires and protect our homes, infrastructure, and environment. The Community Wildfire Resiliency Plan represents West Kelowna's vision for a FireSmart community.

What does wildfire resiliency mean to you? What would a wildfire-resilient West Kelowna look like?

Please write your comments below or visit OurWK.ca/wildfireplan.

Return to West Kelowna City Hall (3731 Old Okanagan Highway) by November 4, 2024.
