EMAIL COMMENTS – DRAFT 2025 BUDGET

DATE OF POST	PLATFORM	QUESTION/COMMENT
Feb. 1, 2025	Email	Patrick Montana, Director of the Lakeview Heights Community Association submitted feedback on behalf of the association, directly to Council, to respectfully oppose the 2025 Budget increase and to encourage Mayor and Council to reconsider by reallocating fund for green spaces, prioritizing sidewalks and bike lanes, ensuring transparency in land sales and adopting a long-term strategy that enhances residents' quality of life.
Feb. 7, 2025	Email	Daniel A. Goy, president of the Glenrosa Residents' Association submitted a request on behalf of the association, directly to Council, to respectfully request that they incorporate the principles of the Solar IPA proposal into the City of West Kelowna's five-year operating plan and the ten-year capital plan, further stating that they projected future municipal tax increases could be minimized and that the City could meet or exceed the demands for community services.
Feb. 10, 2025	Email	I think that we should have more planning for joint projects with WFN and School district #23
