Re: Letter of intent for Special Event Endorsement

Dear Kandice,

I am writing to formally express our intent to apply for a special event endorsement license for Truck59 Ciderhouse, located at 3887 Brown Rd. We are eager to enhance our offerings by hosting a variety of events, including weddings, corporate events, local artisan markets, movie nights, and more. Our Ciderhouse has become a beloved venue in the community, and we believe that this endorsement will help us further contribute to the local economy, culture, and social life.

Our Ciderhouse is uniquely suited to host such events, offering a large open space with lake, orchard and mountain views, providing a large grassy area and stone pad perfect for ceremonies. We have ample amounts of parking in our parking lot with wheelchair accessibility. The proposed events will allow us to provide a versatile space for the local community to gather, celebrate, and engage in meaningful activities. By incorporating local artisans and businesses into events like markets, we aim to strengthen our relationships with surrounding small businesses while offering patrons a unique and memorable experience.

We understand the responsibility that comes with hosting events that involve alcohol service and are committed to adhering to all necessary regulations and guidelines to ensure the safety and enjoyment of our guests. We will ensure proper staff training and maintain a high standard of service during all events, complying with all local laws and ordinances related to event management and alcohol consumption.

We appreciate your consideration of this request and are happy to provide any additional information or documentation required to support our application. We look forward to the opportunity to discuss this further and work with your office to ensure that our proposed events are in full compliance with local licensing requirements.

Thank you for your time and attention to this matter. We look forward to hearing from you soon.

Best Regards,
Jason Parkes
