\$\$\$ Lost & Saved

Q1 Q2
Q3 Q4

Burning Permits

Open burning season commenced Oct 4, 2024

FireSmart Grants

2025 Program launching Q2

Q1 2024

\$ LOST \$ SAVED

Q1 2025

\$ LOST \$ SAVED

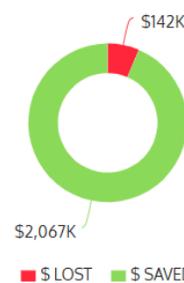

Dollars lost represents the value of property damaged due to fire events, while dollars saved represents the property value undamaged and saved. This metric is useful to evaluate the effectiveness of fire service.

2024 YTD

\$ LOST \$ SAVED

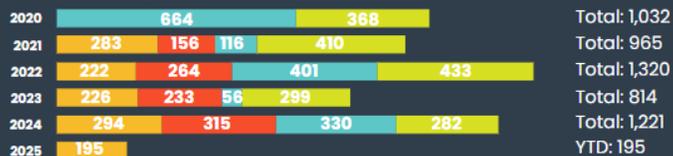

2025 YTD

\$ LOST \$ SAVED

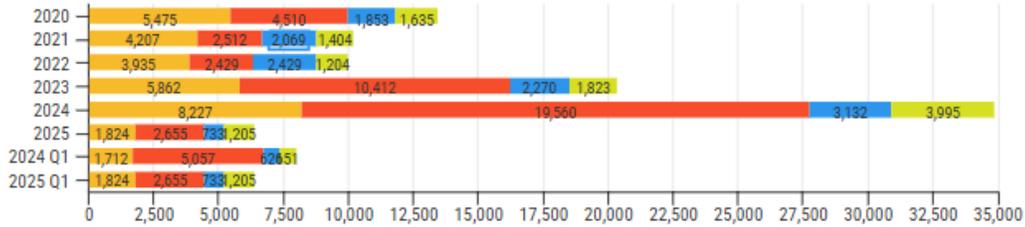

Fire Inspections Completed

COVID restrictions reduced inspections completed in 2020 and 2021. McDougall Creek Wildfire reduced inspections in Q3 & Q4 2023.

Incidents

● First Response ● Alarms ● Burning Complaints ● MVA ● Fires ● Other

Incident Locations

* Not all incidents can be geocoded, therefore some not included. Improves over time, therefore more are shown.

● CWK ● WFN ● RDCO

Shannon Lake Rd Wildfire Mitigation

The Shannon Lake Rd Wildfire Mitigation project was completed in March. The 5-hectare project lies along Shannon Lake Rd in the vicinity of Brookhaven Care Centre and Crystal Springs Mobile Home Park. The work was completed by Nityix Resources (WFN) crews. It consisted of hand-work, chipping and removal offsite of debris. This work has lowered potential fire intensity in the area giving fire crews a better chance to suppress a fire. Work has also opened up the site, removing hidden areas and discouraging illegal camping in the area.

Ice & Swiftwater Rescue Training

In February and March, WKFR crews completed 8 hands-on Ice & Swiftwater Rescue training sessions in preparation for threats faced within our area.
