Helping our Neighbours

WKFR deployed crews and equipment under the regional mutual aid agreement to wildfires in Peachland (3) and Joe Rich. Chief Officers deployed to Northern BC (1) and the Regional Emergency Operations Centre (3).

New Vans in Service

Two new 15 passenger vans, approved in the 2025 budget were delivered to WKFR. These assets will be placed at Station #33 and #34 and used to transport firefighters to emergency scenes as well as training activities. The need for the vans was identified after the McDougall Creek Fire and as a part of preparing for future growth in the community.
