

# **WELCOME!**

## **THANK YOU FOR ATTENDING**

## **THE GLENROSA ROAD IMPROVEMENTS**

## **OPEN HOUSE.**

We are excited to announce that road, sidewalk and drainage improvements on Glenrosa and McIver Road start in Spring 2020! We are presenting our plans in advance in hopes that you will review the information and provide your valued feedback on this important infrastructure project for the Glenrosa neighbourhood.

Please share your thoughts:

1. By speaking with staff tonight (February 5) at our information session
2. By reviewing the panels at City Hall through February 14 and completing a feedback form and submitting to staff in person
3. By completing our feedback form and emailing it to [communications@westkelownacity.ca](mailto:communications@westkelownacity.ca) by February 14

The Information at this session will be available online at [www.westkelownacity.ca/GlenrosaMcIverUpgrades](http://www.westkelownacity.ca/GlenrosaMcIverUpgrades)
