MCIVER ROAD AND GORMAN ROAD
refer to panel 4

MCIVER ROAD
PEDESTRIAN IMPROVEMENTS
refer to panel 5

MCTAGGART ROAD
DRAINAGE IMPROVEMENTS
will convey storm water underground along McIver Road from Glenrosa Road to McTaggart Road into an existing open ditch network.

GLENROSA ROAD
EROSION PROTECTION
will correct erosive conditions in the open channel between Gates Road and Ranch Road, improve ditch stability and prevent deposition in downstream sections.

GLENROSA SIDEWALK
GLEN ABBEY TO WEBBER
will connect the Glenrosa Road sidewalk to the Webber Road roundabout to connect a 1.6 km sidewalk network.
