

Highlights of the Regional Board Meeting – June 11, 2020

2019 Climate Action GHG Emissions Report

The Regional Board has received the 2019 Climate Action Revenue Incentive Program report. During the past year a number of efforts were undertaken to help reduce energy consumption and greenhouse gas (GHG) emissions. The report also outlines initiatives planned for 2020 to further reduce the organizations' carbon footprint. View the full report at rdco.com/climateaction. The RDCO is a signatory of the BC Climate Action Charter and is eligible to apply for a carbon tax grant under the provincial program.

SIR Revenue Anticipation Borrowing

The Regional Board has approved a resolution supporting a new revenue borrowing mechanism for the Sterile Insect Release (SIR) program. If approved by the regional districts that make up the SIR program, the organization would be able to borrow funds to cover its financial needs from March through August when the bulk of operating expenses occur until the program receives tax revenues in early August each fiscal year.

KLO Road Building Closure

The health and safety of the public and staff is our top priority.

In-person services at the RDCO office have been suspended in support of health authorities efforts to reduce the spread of the COVID-19 virus.

Staff are available weekdays 8:00 am - 4:00 pm by phone or by email. Responses will be provided as quickly as possible during regular hours of operation. During this health emergency, the RDCO will continue to provide essential services such as garbage and recycling, water and fire services, dog control and the Westside Regional Wastewater Treatment Plant.

The Regional District continues to follow the direction of public health experts for the safety of its staff and residents to reduce the impact on our community and our health system.

For updates on the RDCO response to COVID-19 and our provision of essential services visit rdco.com/covid-19.
