Regarding the Zoning Amendment bylaw N° 0154.91, I would like our City Council to **decline the request for commercial use of the 2417 Apollo road site.**

Instead other neighbors and myself would prefer the West Kelowna municipality to convert the aforementioned site into a public use one: A square or other dedicated natural public use that citizens are in need of.

We are looking forward to hearing from the Honorable Council soon.

Regards,
Luis A. D'Elia
