TUP 18-03 Extension

Tender Hope Winery, located in 1405 Stevens Road, West Kelowna, BC, V1Z 3Y2, is requesting a three year extension to the TUP 18-03 allowing winery in the zone.

As:

The winery has been operating in the location for 3 years in good standing.

The winery supplies employment to local residents.

The winery contributes to the tourism industry in West Kelowna.

The bylaw allows for distillery and meadrey in the zoning, (meadrey operates under a winery licence so technically a winery is allowed).

In the last TUP meeting the mayor asked that the zoning will be amended to include winery. We hope that this will happen in the near future.

Thank you for your consideration.

Ephraim Perel

Manager, Tender Hope Winery
