Safety:

City of West Kelowna received our Certificate of Recognition (COR) Safety Audit which we achieved 98% Stay at Work / Return to Work Program and 96% for our overall Safety Program!

Recognition quote from our external auditor: "Like many organizations, COVID has been the issue of the past couple years and while the Health, Safety & Wellness Manager was focusing on COVID issues the rest of the safety program was carried out well indicating a strong safety culture has been built into City employees."

"Strong, demonstrable leadership from senior management, including the CAO, Fire Chief, Health Safety & Wellness Manager and the senior management team."
