Highlights of the Regional Board Meeting – May 9, 2019

Proposed Water Rate Updates

The Regional Board has given first reading to bylaws that propose increases in water rates for customers of the six water utilities operated by the regional district. The last water rate adjustments took place in January 2016 and if the new rates are approved, changes in both the User Fees and Asset Renewal Fees would take place on July 1st this year and in January 2020, 2021 and 2022. Customers will be informed of the rate adjustments over the next month before the Regional Board considers final approval of the new rate schedules in June. The Regional District operates the Killiney Beach, Westshore Estates, Sunset Ranch, Falcon Ridge, Upper Fintry and Star Place water systems with just over 1,000 connections.

2018 Audited Financial Statements

The Regional Board has approved the 2018 Audited Financial Statements for the Regional District of Central Okanagan and Central Okanagan Regional Hospital District. Copies along with a Guide to Understanding Financial Statements are available for viewing online at regionaldistrict.com/budgets and at Financial Services in the Regional District office, 1450 KLO Road in Kelowna.

Secondary Suites Bylaw Amendments

The Regional Board has given first readings to bylaws amending secondary suite regulations and permitted zoning designations for both the RDCO Zoning Bylaw No. 871 and the Joe Rich Rural Land Use Bylaw No. 1195. The amendments would clarify secondary suite regulations and strengthen servicing requirements while continuing with the current process of the Board considering individual secondary suite applications. The Board approved a motion for a moratorium on secondary suite rezoning applications until the bylaw amendment process is completed. A Public Hearing will be scheduled and advertised for these proposed bylaw changes.
